- *1 longest drive out of every 7 attempts = 1 Regional Qualification Awarded*

Ex. 7+ entries = 1 Regional; 14+ entries = 2 Regionals

Want to compete against the top hitters such as Kyle Berkshire, Justin James, and Bryson DeChambeau at the World Championship?

Win a Local Qualifier (Stage 1) and then advance through any Regional Qualifier (Stage 2) for your chance to make the World Championship line up

Stage 1 = Local Qualifier (no membership required)

Stage 2 = Regional Qualifier (events hosted by the PLDA, membership required)

Stage 3 = World Championship (Mesquite NV, October)
